A safety reminder that children should not be riding their bikes/scooters/skate boards, etc...on school grounds. Once they arrive to school, they must dismount, and walk their mode of transportation to their classroom door. Many of our little ones have been hit by some of these vehicles so this will help with safety. Thank you for your attention to speaking to your children about this.

Have a great long weekend!

Recently, the provincial government announced a new Feeding Futures School Program Fund, designed to assist schools in the development and enhancement of school meal programs and other nutritional supports for students. If you would like to request support for your child at school, please reach out to Ms Schulz (lschulz@sd38.bc.ca). We are gathering information and looking to provide ongoing support wherever possible. Implementation plans are underway, and we want to ensure families are aware, and as always, able to reach out if they require support.
