Attack is a Physical Education program where students will rotate through stations to try out each track and field event in

anticipation for our District Track Meet on May 9th. Students are asked to dress appropriately (i.e. Running shoes, athletic clothing) on Mondays and Wednesdays for Track Attack. Further information regarding the District Track Meet will be sent home closer to the date.

Skateboard Club Info

Skateboard Club is every Wednesday, from 2:45-4:00pm. The first session is April 17th and the last session will likely be June 19th.

Skateboarding is a fair weather sport and will be cancelled for the day if it's raining or if the ground is wet. Students will be asked to go home, as on any other day.

All skateboarding will take place within the school grounds at Byng and students from K-7 are welcome to join skate club.

Only those that have a signed permission slip may take part in the activities.

You do not need to be good at skateboarding to take part.

You can bring a scooter, a skateboard, or rollerblades to take part. Please no electric or powered equipment.

You must wear a helmet to take part in Skate Club. Extra pads are welcome but optional.

Sometimes, there are extra skateboards or other equipment to borrow, but there are not enough for everyone.

District code of conduct must be followed.

Like all sports, skateboarding can be risky. Students and families should be aware that injury may happen.

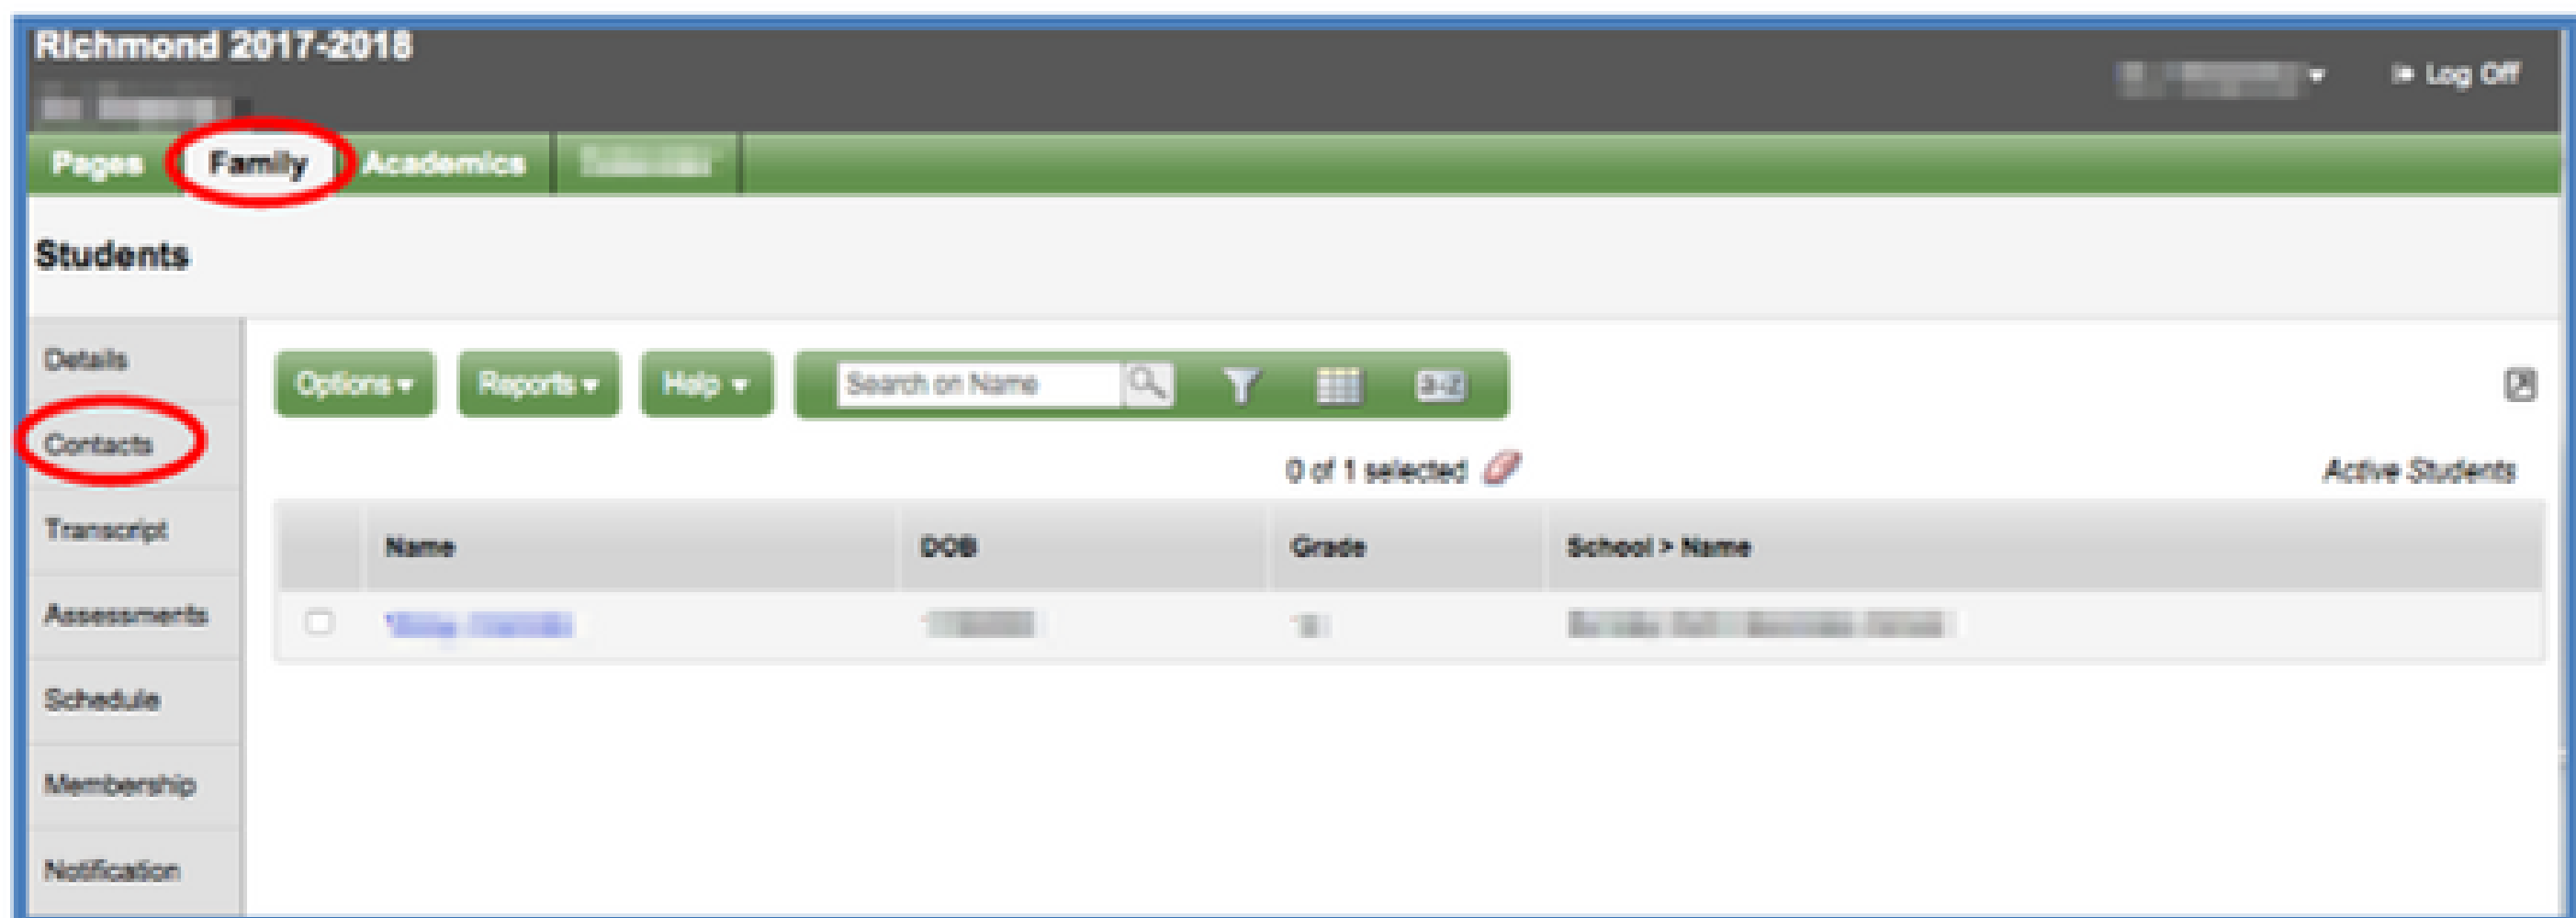

Teachers or parents that want to help out are very welcome to do so!

Please direct any further questions to Mr. Field.
