

# ANTI-BULLYING PRESENTATION

## WHEN

**Wednesday, April 20**  
**6:30 p.m.**

## WHERE

**Lord Byng Elementary**  
**School Library**

## DETAILS

Larry Antrim, Richmond School District Coordinator for Counselling and Social Responsibility, will give an overview of the provincial & district ERASE Bullying approach, refer to the ACT social responsibility lessons, and talk about what parents can do to help build resiliency in their kids so they are better equipped to handle conflict when it occurs. The focus will be on proactive measures, not how to react to bullying.

Having recently presented at the RDPA, Mr. Antrim has graciously agreed to an encore presentation on this much sought out, and relevant subject in today's schools.

Please join us for this informative night as our community comes together to learn about resources to better support a caring environment within our schools.

No cost to parents at Lord Byng and adjacent schools.

Feel free to invite family, friends and neighbours.

## REGISTRATION

Pre-registration preferred but not required.

## CHILD CARE

Complimentary child-minding is available upon request.
