Important Information:

1) Rainbow Dance Theatre Company – On Monday morning, we have a school wide performance! We are excited to welcome the Rainbow Dance Theatre Company and their glowing performance called “iLumiDance” to Byng. Students will get to see three dances featuring electronic costumes, props and puppets. The light wire technology not only enchants students with professional dance, it gets them excited about the “technology” component of STEM learning. For more information, the link to their website is <http://rainbowdancetheatre.org>

2) PAC Movie Night – Next Friday, December 1st, the PAC will be hosting a family movie night in the school gym. The movie will be “The Polar Express”. The doors will open at 5:30pm and the movie will be shown 6-8pm. The PAC is offering a concession and more information will be coming. It should be a very fun family event to kick off the winter season! Please note that families who choose to attend need to stay to supervise/chaperone their children, the PAC is not responsible for supervision.

3) Music @ Byng Performance Assembly – On **Tuesday, December 19th** we will be having an afternoon performance by our bands, choir and some student/class groups, such as our recorder ensemble. The assembly will begin just after 1:00pm and we welcome families to come and hear our students play!
