Important Information:

1) PAC presents Dr. Deborah MacNamara – the PAC has organized a parent information evening open to all Byng families. Dr. MacNamara will be talking about managing anxiety and cultivating resilience in children. There will be childminding available for Byng families. The event is Thursday, February 15th 6:30 – 8:30pm. Please see attached flyer.

2) Groove Masters Drumming! – Next week is drumming week here at Byng. Thanks to our generous PAC, we will have a week of drumming workshops for all our students with Mr. Milton Randall. The gym will be closed all week for drumming as there will be approximately 100 drums set up for our practices and performances. On Friday, we will have two performance assemblies where families are welcome to come and here what we've learned. Because the drum set up is so large, half the school will perform after recess and then the other half after lunch. Please join us if you can!
