Important Information:

1) District Code of Conduct - Our Board of Education has passed and circulated our updated and refreshed Code of Conduct. We have new signage around the school that says “How We Learn and Work Together” that lays out the expectations for our staff, students and community. I’ve attached a PDF of the new poster so you can take a look!

2) District Dates for 2018/18 School Year – The district calendar committee is currently working on setting professional development days and curriculum implementation days for the 2018/18 school year. We will have this information set and provided to families in May. Please see attached letter from our superintendent, Sherry Elwood.

3) Parking Lot Reminders – As many have noticed, our parking lot can be very busy at drop off and pick up times. We do not have enough parking to accommodate everyone at the same time! As weather begins to improve and if you need to drive, please consider parking away from the school and

walking to and from a short distance. A reminder that the parallel parking stalls along the drop off lane are for staff only and that the drop off lane is to be used for active drop off and pick up (not parking!). Thank you for helping us keep our parking lot safe and minimize traffic!

Upcoming Dates:
