### Important Information:

1. Thank you for calling in when your child will be away from school. We have had a lot of families calling the office directly, but kindly ask that you call the **Early Warning Absence** line at 604-668-6587.
2. We are nearing the **second re-enter date for transitional learners**. If you are considering returning to school, the return date is Monday, November 16<sup>th</sup>. An email will be coming home later next week looking for your families' decision. We are pleased to share that we have several of our students back at school, and it has been very successful!
3. Mrs. Markusoff, your **travelling librarian**, here! As you may already know, the library program looks very different at Byng this year. As each class is unable to come down to the library as usual, I will be visiting each class once every two weeks, in order to keep the library collection circulating! By now, each of the students have had the opportunity to check out one book from the library collection. They are welcome to keep their book for two weeks, either in the classroom, or, if you're comfortable, at home. I'm grateful the students have been so patient while I roll out this new system, and I'm even more thrilled to see the smiles on their faces when they get to choose a book.
4. You may be hearing your children talking about **Remembrance Day**. It's such a challenging time, and we realize that many of you would love to see your child if they are performing. Unfortunately, we cannot have an assembly due to health and safety protocols in place. The children will have the opportunity to experience a new way of an assembly that some are calling Zoombly (Zoom Assembly). Students will Zoom-in from their classroom and watch the beginning of the live assembly while the remainder will be taped performances from classes. More information about collection of donations for poppies will be shared next week.

### Upcoming Dates:

November 10 Remembrance Day Zoombly  
November 11 Remembrance Day (No School)
