

COVID-19 Symptoms, Testing & Return to School

Close Contacts

Household contacts should continue to self-monitor for symptoms and stay home if they get sick. All school students and staff members should regularly self-monitor for symptoms as usual as per the Daily Health Check. Those who develop symptoms should stay home. The best way to protect yourself and your family from COVID-19 is to get vaccinated. Vaccines are available for anyone ages 5 and up. Register now at: [Getvaccinated.gov.bc.ca](https://getvaccinated.gov.bc.ca)

Information for Travelers

If you are a traveler returning from outside Canada and test positive for COVID-19, you need to follow the quarantine requirements set by the Federal government. Visit the Government of Canada website for more information: travel.gc.ca/travel-covid
