Get REDI

Reconciliation, Equity, Diversity and Inclusion with Richmond School District

A webinar series on Zoom for parents and caregivers to understand and support SD38 initiatives around inclusion and belonging.

This initial 60-minute session is designed to help you understand the district's commitment to reconciliation, equity, diversity and inclusion, and the values and language that inform our practices in schools. The facilitator, Destine Lord, will draw on the district's strategic plan to drive the conversation and make connections between the plan, the district's vision, and introductory concepts of anti-oppression. By building the language, you can help support your learner as they move between home and school and back again. There will be opportunities with future sessions to further explore REDI concepts.

Registration

These repeated webinar sessions are intended for Richmond School District parents and caregivers only.

As space is limited, please register in advance for one session using one of the QR codes below.

As a Black Canadian, Destine can draw on her lived experiences to inform conversations about racism. She is excited to be supporting the Richmond School District and our work to build equity and inclusion and a sense belonging for all students and staff.
