**Happy June, everyone!**

**I can't believe the time has come, but this past week was officially the last week for the students to check books out of the library! Now begins the yearly task of getting all of those library books back into the library, and back on the shelves! Over the next week or two, please make an effort to help your child(ren) search high and low for their library books, and bring them back to the library ASAP. You may see a paper printout of their overdue books in their planner, and this will just help you in your search! Thank you for your efforts – it's so much appreciated!**
