IMPORTANT! IMPORTANT! IMPORTANT!

Things to consider if your child feels unwell..

Without proper rest, a child may have a hard time fighting an illness or be at risk for other illnesses. Please keep your child home if they:

- **Have a fever.** Are too sick to take part in all normal school activities.
- **Have a suspected or known communicable disease** (i.e. strep throat, chicken pox, measles).
- **Is vomiting or have diarrhea.** It is recommended that students be symptom free at least 24 hours before returning to school.

Keep your child home until they are able to participate fully in normal school activities or as directed by a health care provider.

If the school finds it necessary to send your child home because of illness, please make sure you have arranged an emergency contact if you are not available.
